ASICS LOS ANGELES MARATHON

Welcome to the 41st running of the ASICS Los Angeles Marathon

The Los Angeles Marathon is a 26.2-mile journey through the heart of LA, starting at the iconic Dodger Stadium and weaving through vibrant neighborhoods like Chinatown, Downtown Los Angeles, Echo Park, Hollywood, West Hollywood, Beverly Hills, and Brentwood, culminating in Century City. Along the way, you'll encounter historic and cultural landmarks such as the Chinatown Dragon Gate, Olvera Street, Los Angeles City Hall, Little Tokyo, the Cathedral of our Lady of Angels, Capitol Records Tower, the Hollywood Walk of Fame, Grauman's Chinese Theater, The Troubadour, Rodeo Drive, Route 66, and so much more!

Our Stadium to the Stars course is designed for your success, featuring world-class operations, well-stocked aid stations, medical support, and enthusiastic officials along the route. The incredible crowd and spirited spectators will provide the energy and vibe that only LA can deliver.

Get ready for race weekend where you'll join over 26,000 fellow participants to achieve a monumental feat that only 0.05% of Americans ever accomplish: **FINISHING A MARATHON!**

Whether it's your first marathon, your tenth, or your 41st, take a moment to appreciate the dedication it took to get here. You sacrificed weekends for training, faced blisters and pain, and prioritized those long runs over sleep-in days. Your hard work is truly inspiring!

Thank you for choosing to participate in the ASICS Los Angeles Marathon. Your involvement supports the McCourt Foundation's mission to cure neurological diseases while empowering communities to build a healthier world. Every step you take is making a difference.

We wish you an unforgettable race experience and look forward to seeing you soon. In the meantime, please take a moment to read through our final race instructions to get familiar with race day policies for a smooth experience.
